GOVERNMENT OF MYSORE

REV-442-IRR-66-67
No. ~~REV. 2821. HOA. 65-66.~~

OFFICE OF THE
DIVISIONAL COMMISSIONER,
GULBARGA.

Dated.....196

To

The Secretary to the Govt. of Mysore,
Public Works Department,
P.B.No. 346 BANGALORE.

Subject: The Mysore Irrigation(Levy of betterment contribution and water rate) Act 1957 and rules thereunder sanction of staff for implementation of the Act.
Reference:
R e f: Govt. letter No. PWD 171 SCO 65 WE dated-

Sir,

*****

The Divisional Commissioner, Belgaum has proposed creation of one post of First Division Clerk for each of the Taluk Sub-Divisio and District offices in his Division and one post for the - Divisional Commissioner's office.

I have examined the position in this Division in detail. With the introduction of the Mysore Irrigation (Levy of betterment contribution and water rate) Act 1957 and Mysore Irrigation Act 1965 and the Rules made under the two enactments, the nature of work that has to be attended to by the Assistant Commissioners and the Tahsildars will be as follows:

Assistant Commissioners:

1. Determination of basic contribution under the Mysore Irrigation (Levy of betterment contribution and Water rates)Act 1957.
2. Hearing of appeals under the Irrigation Act.

Taluk offices:

1. Levy of Water rates as per Mysore Water Rates Rules and fixation of demand.
2. Levy of maintenance cess as per Section 44 of the Mysore Irrigation Act.

The work of determination of betterment levy, special benifit contribution, levy of water rates and maintenance cess will have to be attended to in the eight Taluks which come under the command areas of the Tungabhadra Project. In other Taluks only the work relating to water rates will have to be attended to and it is felt that the existing staff would be adequate to cope up with the work. Following are the eight Taluks where the work will increase and as such there is need for appointment of extra staff.

Raichur District.	Bellary District.
1. Gangavathi.	6. Bellary.
2. Sindhanoor.	7. Hospet.
3. Koppal.	8. Sirguppa.
4. Manvi.	
5. Raichur.	

I therefore suggest that one post of First Division Clerk may be sanctioned for each of the above Taluk Offices only.

The Assistant Commissioners have been appointed as betterment-levy officers under the Mysore Irrigation (Levy of betterment contribution and water rates) act 1957. The Assistant Commissioners offices, in the THP area, namely Hospet, Bellary.

PTO.

and Koppal, will have additional work relating to determination of basic contribution etc., under the Act. This work requires to be done by an experienced official of the cadre of Taluk Sirishtedar. It is therefore suggested that two posts of Sirishtedars may be created for Hospet and Bellary Sub-Divisional Offices, where such posts do not exist at present. As regards Koppal sub-Division one post of First Division clerk may be created because a post of Sirishtedar already exists in those offices.

The existing staff in other sub-Divisions and District offices is adequate to cope up with the work under the above enactments and hence no extra staff is proposed with a view to avoid additional burden on the exchequer.

I, therefore request that sanction for creation of 9 posts of First Division Clerks and two posts of Sirishtedars, for the Taluk and Sub-Division Offices, mentioned above may kindly be obtained and communicated at an early date.

A proposition statement indicating the probable cost on the proposed establishment which works out to Rs. 1949-96 per mensum is enclosed herewith. The expenditure on this staff may be charged to the budget head 1y GAD.-EPI.Sub_Divisional Establishment & EQI.Taluka Establishment respectively.

O.C.Signed by
Divl. Commissioner.

Yours faithfully,

M. G. Rao 3.5.66

for Divisional Commissioner,
Gulbarga.

Cabinet Note

Sub:- The Mysore Irrigation (levy of betterment contribution and water rates) Act 1957 and rules thereunder Sanction of staff for implementation of the Act

The Divisional Commissioner with Gulbarga Division has reported that the introduction of the Mysore Irrigation (levy of betterment contribution and water rates) Act 1957 and Mysore Irrigation Act 1965 and the Rules made under two enactments, the nature of work that has to be attended to by the Assistant Commissioners and the Tahsildars will be as follows:-

Assistant Commissioners:-

1) Determination of basic contribution under the Mysore Irrigation (levy of betterment contribution and water rates) Act 1957.
2) Hearing of appeals under the Irrigation Act

Talaq offices:-

1) Levy of water rates as per Mysore water Rates Rules and fixation of demand
2) Levy of maintenance cess as per section 4 (e) of the Mysore Irrigation Act. The work of determination of

of betterment levy, special benefit contribution, levy of water rates and maintenance cess will have to be attended to in eight Talukas which come under the command area of the Tungabhadra project. In other Talukas only the work relating to water rates will have to be attended to and it is felt that the existing staff would be adequate to cope with the work.

In the above circumstances, the Divisional Commissioner (Gulbarga Div.) has sought sanction for additional staff consisting of two Siristedars in Gr. Rs. 160 to 250 and nine I Division clerks in Gr. Rs. 110 to 220.

The Finance Department have agreed to the proposal of the Divisional Commissioner and requested to obtain the approval of the Cabinet in view of economy orders. Hence approval of Cabinet for sanction of additional staff consisting of two Siristedars in Gr. Rs. 160 to 250 and nine I Division clerks in Gr. Rs. 110 to 220 is solicited.

Submitted for orders.

The Divisional commissioner, Gulbarga Division has reported that with the introduction of the Mysore Irrigation (levy of betterment contribution and water Rate) Act 1957 and Mysore Irrigation Act 1965 and the rules made under the two enactments the nature of work that has to be attended to by the Assistant commissioners and the Tahsildars will be as follows:-

Assistant commissioners:-

(1) Determination of basic contribution under the Mysore Irrigation (levy of betterment contribution and water Rate) Act 1957)

(2) Hearing of appeals under the Irrigation Act.

Taluk offices:-

1) Levy of water rates as per Mysore water Rules, Rules and fixation of demand

2) Levy of maintenance cess as per Section 66 of the Mysore Irrigation Act

The work of determination of betterment levy, special benefit contribution, levy of water rates and maintenance cess, will have to be attended to in eight taluks which come under the command area of the Tungabhadra project. In other taluks only the work relating to water rates will have to be attended to and it is felt that the existing staff would be adequate to cope with work. ~~Work~~

In the above circumstances, the Divisional Commissioner, Gulbarga Division has sought sanction for additional staff consisting of two Sheristedars in grade Rs. 140 to Rs. 250 and nine ? Division clerks in grade Rs. 110/- to Rs. 220/- for several offices in Bellary and Raichur Districts.

Order No. PWR 20 SCO 68.

Dated May 1968.

Sanction is accorded to the additional staff consisting of-

38

141

· two Sheristedars in grade Rs. 160-5-150-8-190-10-250 ~~Rs. 110 to 250~~

and nine I Division clerks in grade Rs. 110-5-150-6-150-10-210 ~~Rs. 110-220~~/- for several offices

~~in margin~~ in Bellary and Raichur Districts as stated in the margin. This order issues with the concurrence of FD vide their U.O.No. FD 692/ST/68 dated 10/2/68.

1) two Sheristedars one post for each of the offices of Assistant Commissioners Hospet and Bellary

2) nine I Division clerks at the rate of one ~~post~~ for each ~~for each~~ offices of Assistant Commissioners Koppal and Taluk offices of Gangavathi, Koppal, Sindanoor, Manvi, Raichur, Bellary, Hospet and Siriguppa.

By order etc

D.O.NO.TBP/Consl/68

My dear Chandappa Patel,

I dare say you have received a copy of the Proceedings of the Consultative Committee meeting held on the 5th of February 1968. For ready reference I enclose herewith a copy of the same. The Committee after discussion reiterated their original decision to allow paddy and sugarcane only in areas localised for perennial and not to allow paddy in areas localised for paddy or dry-cum-wet crops for the coming summer season. Immediately after the decision wide publicity has been given that paddy will be allowed only in areas localised for perennial crops. Some of the people mostly Andhra cultivators in Gangawathi Taluk had prepared themselves to grow paddy irrespective of the decision of the Consultative Committee. This is likely to create difficulties not only for the ryots going in for high yielding varieties of light irrigated crops, but also cause resentment amongst ryots who had previously proposed to grow paddy during summer but who had listened to our advice and desisted from planting paddy. It is very necessary that stringent action should be taken against the ryots who are unauthorisedly growing paddy inspite of repeated and timely advice.

I may here recall the discussions we had and the decisions taken on 3rd January 1968. You were good enough to assure that you would notify the prescribed officer under Section 28 of the Irrigation Act immediately and also issue an ordinance amending the relevant Section making contravention of the localisation pattern also liable for levy of penalty under Section 28 of the Irrigation Act. You had promised that necessary orders will be issued within a week of the meeting. But so far no orders have been received. Since it is very necessary that the officers should be armed with the necessary legal provisions to take prompt action against the ryots cultivating lands unauthorisedly I would be grateful if immediate action could be taken in the matter. In view of the impending Sessions of the Legislature it may not be possible to issue an Ordinance now. I would at least request that draft amending Bill may be prepared and introduced in the present Session itself as this is an extremely urgent matter.

XXX

I would be glad to have an early reply in the matter.

Yours sincerely,

Sd. (M.S. Shankara Rao)

Shri Chandappa Patel,
Secretary go Govt., P.W.D.
Vidhana Soudha, Bangalore.

PUBLIC WORKS SECRETARIAT.

NOTIFICATION.

Bangalore, dated 19th February 1968.

G.S.R. 51.—The draft of the following rules further to amend the Mysore Irrigation (Levy of Water Rates) Rules, 1965, which the Government of Mysore proposes to make in exercise of the powers conferred by Section 11 of the Mysore Irrigation (Levy of Betterment Contribution and Water Rate) Act, 1957 (Mysore Act 28 of 1957), is hereby published as required by sub-section (1) of the said Section for the information of persons likely to be affected thereby and notice is hereby given that the said draft rules will be taken into consideration on or after the 22nd March 1968.

Any objection or suggestion which may be received from any person with respect to the aforesaid draft rules by the State Government before the date specified above will be considered by the Government. Objections and suggestions may be addressed to the Secretary to the Government, of Mysore, Public Works Department, Vidhana Soudha, Bangalore-1.

1. **Title and commencement**—(1) These rules may be called the Mysore Irrigation (Levy of Water Rates) (Amendment) Rules, 1968.

(2) They shall be deemed to have come into force on the first day of July 1965.

2. **Insertion of new rule 3A.**—After rule 3 of the Mysore Irrigation (Levy of Water Rates) Rules, 1965, the following rule shall be inserted, namely :—

'3A. **A levy of Water rate where no crop is grown.**—Notwithstanding anything contained in rule 3 where water is supplied, made available or used for growing any crop or for the irrigation of any land but no crop is actually grown, water rate shall be levied at the rates prescribed in the said rule as if the crop was grown.'

[No PWD 6 LBW 66 (Part III).]

D. O. No. TBP/DEV/3819/67-68.

My dear Chandappa Patil,

In continuation of my confidential D.O. letter No. TBP/Consl/68 dated 12th February 1968, I enclose herewith a copy of the letter from the Joint Director of Agriculture, Raichur, for information of Government. It is very necessary that Government issues Notification regarding 'Prescribed Officer' and also to amend the Irrigation Act to provide for levy of penalty for transgressing the localisation pattern in order to take correctional steps suggested by the Joint Director of Agriculture.

P. 42. C.F.

Yours sincerely,

Shri Chandappa Patil,
Secretary to Government,
Public Works Department,
Vidhana Soudha,
BANGALORE-1.

COPY of the D.O.letter No:Tech/Consul/Committee/67-68 dated 8-2-1968 received from Shri C.M.Revanna,B.Sc.(Hons)., Joint Director of Agriculture, Gulbarga Division, Raichur to Shri M.S.Shankara Rao, IAS., Divisional Commissioner, Gulbarga and copy marked to the Director of Agriculture, Bangalore.

Dear Sir,

Sub: Decisions of the Consultative Committee on 5-2-1968.

===

With reference to the above, I write to state that I toured in some of the important villages in Gangavathi Taluk on 7-2-1968 and contacted the cultivators in connection with the campaign for bringing more area under High Yielding - Varieties in lands localised for dry-cum-wet and paddy. The decision taken by the Consultative Committee during its first meeting had very good effect and a good tempo was built up for bringing more area under High Yielding Variety programme. The Chief Engineer's tour in the ayacut and some of the - important villages which are the strong holds of Andhras has directly and indirectly done a lot of damage to the spade work which was done by the department of Agriculture and N.E.S.Blocks. There is a mass scale violation and a large number of paddy nurseries are raised and the cultivators have already started puddling the fields thereby making the lands unfit for growing dry-cum-wet crops. This is really a sorry state of affairs and the High Yielding Variety Programme is suffering a severe set back if not a death blow. Cultivators have also started planting sugarcane in dry-cum-wet blocks and this is going unchecked. It is high time that we take a lesson from this precedence and do not allow such things to repeat at least during the coming seasons by making it clear to the cultivators that there should not be any paddy in lands localised for dry-cum-wet. This will enable the field workers to prepare simple farm plans, build up the loan records and sanction the loan at least one month in advance of the sowing season.

I suggest that the Consultative Committee may be summoned early in April immediately after the Assembly is over or when the Assembly gets a break. This will also enable the Committee to review the results of the decisions of the Consultative Committee. The Revenue and P.W.Departments may be then place on the table the extent under the various crops and also a report regarding action taken under the Irrigation Act against the cultivators who have violated the provisions. Unless drastic action is taken at least in some cases in each villages. I am afraid that the decisions of the Consultative Committee will have no value and effect.

With regards,

Yours sincerely,
Sd/-
(C.M. Revanna).

D.O.NO.TBP/Consl/68

My dear Chandappa Patel,

I dare say you have received a copy of the Proceedings of the Consultative Committee meeting held on the 5th of February 1968. For ready reference I enclose herewith a copy of the same. The Committee after discussion reiterated their original decision to allow paddy and sugarcane only in areas localised for perennial and not to allow paddy in areas localised for paddy or dry-cum-wet crops for the coming summer season. Immediately after the decision wide publicity has been given that paddy will be allowed only in areas localised for perennial crops. Some of the people mostly Andhra cultivators in Gangawathi Taluk had prepared themselves to grow paddy irrespective of the decision of the Consultative Committee. This is likely to create difficulties not only for the ryots going in for high yielding varieties of light irrigated crops, but also cause resentment amongst ryots who had previously proposed to grow paddy during summer but who had listened to our advice and desisted from planting paddy. It is very necessary that stringent action should be taken against the ryots who are unauthorisedly growing paddy inspite of repeated and timely advice.

I may here recall the discussions we had and the decisions taken on 3rd January 1968. You were good enough to assure that you would notify the prescribed officer under Section 28 of the Irrigation Act immediately and also issue an ordinance amending the relevant Section making contravention of the localisation pattern also liable for levy of penalty under Section 28 of the Irrigation Act. You had promised that necessary orders will be issued within a week of the meeting. But so far no orders have been received. Since it is very necessary that the officers should be armed with the necessary legal provisions to take prompt action against the ryots cultivating lands unauthorisedly I would be grateful if immediate action could be taken in the matter. In view of the impending Sessions of the Legislature it may not be possible to issue an Ordinance now. I would at least request that draft amending Bill may be prepared and introduced in the present Session itself as this is an extremely urgent matter.

I would be glad to have an early reply in the matter.

Yours sincerely,

Sd. (M.S. Shankara Rao)

R. & I. SECTION
P. W. & E. D.
No. 10487
Date 11 MAR 1968
Section Spl. Jun

Sub:- Mysore Irrigation (Levy of water rates) Rules 1968 - Draft Rules.

Ref:- Govt.Notn.No.PWD.6.LBW.66, dated 19-2-68

The draft Rules cited provides that notwithstanding anything contained in rule 3 of the Mysore Irrigation (Levy of water Rates) Rules, 1965, where water is supplied made available or used for growing any crop or for the irrigation of any land but no crop is actually grown (underlining is mine), water rate shall be levied at the rates prescribed in the said rule as if the crop was grown". It follows that irrespective of the fact whether a crop is grown or not water rate shall be levied. The basis on which the water rates will have to be levied in such cases has not been mentioned in the draft rules. The water rate will have to be levied on the basis of the crops grown at the rates prescribed under the Mysore Irrigation (levy of water Rates) (Amendment) Rules, 1967. If no crop is grown by a ryot even if water is made available to his land, the water rate that will ha/e to be levied on such land cannot be arrived at. Similarly there is no provision as to the water rate that has to be levied in a case where water is made available for growing two crops in any revenue year but used for raising a single crop alone and this requires proper clarification.

p t.o.

I would also request you kindly to clarify whether full water rate will have to be levied as per the scale prescribed by the rules cited, even in cases where water is not made available for the full period or a crop season. The practical experience is that in many cases water is made available to the lands only at the begining stage or for a period of two or three months and subsequently at the final stages no water will be supplied due to non-availability of water in the tank. Neither the present draft rules nor the existing rules prescribe any minimum period of supply of water that has to be taken into account for purpose of determining the water rate. As things stand water rate shall be levied even if water is made available or supplied for a few days. The water rates that have to be levied in all such cases and the procedure have to be prescribed. It is desirable that full water rate is made a leviable when water is made available for the full crop season. Otherwise proportionate reduction in water rate has to be allowed or else it would put the ryots to hardship.

In some cases it so happens that water for a certain period will be drawn from the Government source and for the rest from a private source like an irrigation well and crop raised. This is a case of wells in tank atchkat. Whether full water rate prescribed by the rules has to be levied in these cases may be confirmed. If the reply were to be negative, the quantum of water rate that has to be levied in such cases has to be provided for.

I request you kindly to consider the above suggestions while finalising the draft rules and provide specific provisions in the rules so that they could be smoothly and effectively implemented.

Yours faithfully,

for Deputy Commissioner,
Kolar District.

Vidhana Soudha, BANGALORE-1.

Sir,

Sub:- Draft Mysore Irrigation (Levy of Water Rates) Amendment Rules 1968 - Objections and suggestions if any there on.

Ref:- Government Notification No. PWD.6.LBW.66 (Part II) dated 19-2-1968 (received in this office on 26-2-1968) issued from the Deputy Secretary to the Government of Mysore, P.W.D. (Irrigation), Bangalore on the above subject.

***

P. & I. SECTION
P.W. & E. D.
No 1047
Date 11 MAR 1968
Section Spl...

According to the provisions of the Mysore Irrigation (Levy of Water Rates) Rules, 1965, the Levy of Water Rate will be at the rates specified on different crops raised. Therefore, the basis for the levy of water rate is on the crop raised.

219 12.3.68

But in the Government Notification No. PWD 6 LBW 66 (Part II) dated 19-2-1968 referred to above, it is stated that the levy of water rate on the lands has to be made as if crops are raised even though crops are not raised where water is supplied for irrigation. As such a doubt arises as to the rate at which water rate has to be levied on lands supplied with water but no crops are raised on them as it has not been specifically stated whether the rate applicable to sugar-cane or paddy or any other crop has to be levied.

Clear instructions are, therefore, solicited regarding the rate at which the water rate has to be levied in respect of land for which water has been supplied for its irrigation but having not raised any crops.

In this connection, it has to be stated that the levy of the lowest rate namely the rate fixed for ragi and other will have to be levied on the said lands.

Draft approved by the Spl Deputy Commissioner.

Sir,

Subject:- Amendment of Rules under the Mysore Irrigation (levy of Water-rate) Rules 1965 - Notification No. PWD-6 LBW 66 (Part II) dated 19.2.1968 .

PWD (Spl. Irrn).
No 778 dt 18.3.68

Reference:- Memo No. IRR1.PR.43.C.4404/67-68, dated 6.3.1968 of the Spl. Deputy Commissioner, Mandya District, Mandya copied to this office the above notifications for publication and suggeation.

—

With reference to the above subject, I write to state as follows:-

According to the Mysore Irrigation Levy of Water Rates) Rules 1965, the rate of water-rate is being levied on crop pattern at the rates prescribed for each crop.

As regard levy of water-rates on the area on which no crop is grown though water was made avilable the rate at which as to be levied is not specified nither in the original rules nor in the draft ammendment now issued in the notifieation under reference.

In this connection I suggest that in respect of area on which no crop is grown that the minimum water-rate at Rs.3/- per acre in the case of 100 acres and below at Rs.4/- per acre in the case of lands irrigated under irrigation work capable of irrigating more than 100 acres of land may be prescribed.

Government of Mysore

No.PWD 6 LBW 66(Part-II)

Mysore Government Secretariat,
'Vidhana Soudha'
Bangalore, dated April 2, 1968.

Notification

In Exercise of the Powers conferred by Section 11 of the Mysore Irrigation (Levy of Betterment contribution and Water Rate) Act, 1957, (Mysore Act 28 of 1957), the Government of Mysore hereby makes the following rules, the draft of the same having been published in Notification No.PWD 6 LBW 66 (Part II) dated 19th February, 1968, in the Mysore Gazette, dated 22nd February, 1968, as required by Sub-Section (1) of the said section, namely.-

1. TITLE AND COMMENCEMENT.- (1) These rules may be called the Mysore Irrigation (Levy of Water Rates) (Amendment) Rules, 1968.

(2) They shall be deemed to have come into force on the first day of July, 1965.

2. INSERTION OF NEW RULE 3A.- After rule 3 of the Mysore Irrigation (Levy of Water Rates) Rules, 1965, the following rule shall be inserted, namely.-

'3A. Levy of Water rate where no crop is grown.-

Notwithstanding anything contained in rule 3 where water is supplied, made available or used for growing any crop or for the irrigation of any land but no crop is actually grown, water rate shall be levied at the rates prescribed in the said rule as if the concerned crop was grown.

GOVERNMENT OF MYSORE

No. IRR 161 C 11503/67-68
Encls 'one' only

Office of the Divisional Commissioner,
Mysore Division,
Mysore-5. Dated: 23rd March, 1968.

To

The Secretary to Government of Mysore,
Public Works and Electricity Department,
P.B.No. 346, BANGALORE-1.

R. & I. SECTION
P.W. & E. D.
No. 13036
Date 2 Bangalore
Section

Sir,

Sub: Mysore Irrigation Act 1965 and the rules thereunder - insertion of new Rules 17(a) regarding -

Ref: Government Notification No. PWD 6 LBw 66 (Part II) dated 19th February, 1968.

--

896 27.3.68.

In the draft rule 17 (a) proposed to be inserted in the Mysore Irrigation Rules 1965, it is proposed to appoint the Executive Engineers concerned as Prescribed Officers for the purposes of sub-section 5 of Section 28 of the Mysore Irrigation Act. In this office letter No. IRR 31 C 3152/67-68 dated 22-7-1967, it has been suggested that the Tahsildars of Taluks may be authorised as Prescribed Officers under Section 28(5) since they are booking water-rate under Rule 4 of the Mysore Levy of Water Rate Rules 1965. If the officers of the Public Works Department are authorised to levy penal water rate for unauthorised use of water, the responsibility of collection of the penalty levied will also rest with them. In this connection, I enclose a copy of the letter No. PWD 108 C/67-68 dated 29-2-1968, of the Deputy Commissioner, Mysore, who has sought clarification in the matter of collection of penal water rate levied by officers of the Public Works Department. It may therefore be re-examined whether it would not be possible to authorise the Tahsildars of Taluks as Prescribed Officers under Section 28(5) of the Irrigation Act, 1965, as it desirable to have the same Officer to determine and book the water rates and the penalities for unauthorised use of water.

4/27/3

Yours faithfully,

(B.N. NANJUNDAPPA),
for Divisional Commissioner,
Mysore Division.

(Draft approved by the Divisional Commissioner)

MR:3.

29/3/68

Submitted for perusal The main file has been referred to L.D. This receipt will be placed in the main file after its receipt in the Section.

30/3/68.

Copy of letter No. PWD 108 C /67-68 dated 29-2-1968 from the Deputy Commissioner, Mysore District, Mysore, to the Divisional Commissioner, Mysore Division, Mysore.

--

Sub: Booking of water-rate demand ordered on TTs by the P.W.D.

Ref: Letter No. NCR 22/67-68 dated 5-2-1968 of the Tahsildar, Mysore Taluk.

--

With reference to the above, I write to state that the Tahsildar, Mysore Taluk has submitted Takrar Thaktas seeking clarifications, as to whether the Tahsildar can directly take the amount ordered on T.Ts. by the P.W.D. or demand.

When the Irrigation officers are empowered to deal with the cases of unauthorised use of Government Water under the provisions of L.R. Act 1964 and the Mysore Irrigation Act, 1965, the amount of water-rate fine etc., so levied by them on T.Ts. will have to be collected by the authorities of P.W.D. in the normal course of events and only in cases where P.W.D. officers cannot recover the amount could have to be recovered as arrears of land revenue by Revenue agency.

I, therefore, request you kindly to clarify whether the P.W.D. authorities may be asked to recover the amount that will be levied on T.Ts. or whether it is to be recovered by the Revenue Department in all the cases without any exception.

No.IRR.I PR 43 C 4404/67.68. OFFICE OF THE SPL DEPUTY COMMISSIONER,
Encl. one. Mandya District,
Mandya, Dated the 20th April, 1968.

To

The Secretary to the Government of Mysore,
Public Works and Electricity Department,
Vidhanasoudha,
Bangalore-1.

Sir,

Sub: Implementation of the Mysore Irrigation(Levy of Water Rates), Amendment Rules, 1968.

Ref: 1. Notification No.PWD 6 LBW 66(Part II),dated 19th February,1968 from the Deputy Secretary to Govt. P.W. Department, Bangalore issuing Draft Mysore Irrigation (Levy of Water Rates), Amendment Rules, 1968.
2. This office letter of even number dated 6.3.68 addressed to you.
3. Notification No.PWD 6 LBW 66 dated 2.4.68 from the Deputy Secretary to Government of Mysore,P.W.D. & Electricity Department issuing the Mysore Irrigation(Levy of Water Rates)(Amendment) Rules,1968.

****

I invite your kind reference to my letter of even number dated 6.3.1968 addressed to you wherein clarification has been sought for on Rule 3(A) of the Draft Mysore Irrigation (Levy of Water Rates) (Amendment)Rules 1968 issued in Government Notification cited (1), regarding the rate at which the water rate has to be levied in respect of lands for which water has been supplied for irrigation and on which no crops are raised. It was also suggested in my said letter dated 6.3.1968 that the levy of the lowest rate namely the rate fixed for ragi and other crops will have to be levied on the said lands (copy is enclosed again for kind reference.)

But now in Rule 3(A) of the Mysore Irrigation (Levy of water rates), (Amendment) Rules 1968 finally issued in Government Notification dated 2.4.1968 cited (3), the very terms which were prescribed in the said draft ruls have again been prescribed without modifying anything regarding the rate at which the water rate has to be levied on the lands for which water has been supplied for irrigation but no crops of whatever kind are raised thereon, thereby no clear instructions have been issued on the said point.

I therefore request you kindly issue necessary clarification in the matter at an early date as otherwise no action can be taken to levy water rate on the lands referred to above.

Yours faithfully,

(K.T. KEMPEGOWDA),
for Spl Deputy Commissioner,
Mandya District.

Draft approved by the
Spl Deputy Commissioner)

m/11

Copy of letter No. IRR I PR 43 C 4404/67.68 dated 7.3.1968 from the Special Deputy Commissioner, Mandya District to the Secretary to the Government of Mysore, Public Works Department, Bangalore.

--

Subject: Draft Mysore Irrigation (Levy of Water Rates) Amendment Rules 1968 - objections and suggestions if any thereon.

Reference: Government Notification No. PWD 6 LBW 66 (Part II) dated 19.2.1968 (received in this office on 26.2.1968) issued from the Deputy Secretary to the Government of Mysore, P.W.D. (IRRN) Bangalore on the above subject.

--

According to the provisions of the Mysore Irrigation (Levy of water Rates), Rules 1965, the levy of water rate will be at the rates specified on different crops raised. Therefore the basis for the levy of water rate is one the crop raised.

But in the Government Notification No. PWD 6 LBW 66 (Part II), dated 19.2.1968 referred to above , it is stated that the levy of water rate on the lands has to be made as if crops are raised even though crops are not raised where water is supplied for irrigation. As such a doubt arises as to the rate at which water rate has to be levied on lands supplied with water but no crops are raised on them as it has not been specifically stated whether the rate applicable to Sugar Cane or Paddy or any other crop has to be levied.

Clear instructions are therefore solicited regarding the rate at which the water rate has to be levied in respect of land for which water has been supplied for it's irrigation but having not raised any crops.

In this connection, it hasto be stated that the levy of the lowest rate namely the rate fixed for ragi and other will have to be levied ~~as~~ on the said lands

Date 3rd May, 1968.

To

The Secretary to Government of Mysore,
Public Works and Electricity Department,
P.B.No. 346, BANGALORE-1.

Sir,

Sub: The Mysore Irrigation (Levy of Water Rate) (Amendment) Rules, 1968 - Clarifications requested - Orders of Government.

--

PWD (Spl. Irrgn).
No 1324 Date 7.5.68

I invite reference to letter No. IRR I PR 43 C 4404/67-68 dated 20-4-1968 of the Special Deputy Commissioner, Mandya, addressed to Government and copied to this office on the subject.

The Special Deputy Commissioner, Mandya in his letter cited points out that in Rule 3A of the Mysore Irrigation (Levy of Water rates) (Amendment) Rules 1968 the exact rate at which the water rate has to be levied on lands, to which water has been supplied for irrigation, but no crops were raised is not mentioned and requests clarifications from Government in this behalf.

In this connection, kind reference is invited to this office D.O. letter No. IRR 8880/64-65 dated 23-3-1968 addressed to the Secretary to Government of Mysore, Public Works ~~Department~~ and Electricity Department and the note appended thereto, in which it was pointed out that the aforesaid Rules is indecisive as it does not indicate specifically the rate to be changed for water made available when no crops are grown. I request you to look into the matter and please see that the orders of Government in the matter are obtained and communicated early.

Yours faithfully,

(M.B. BOMMAIYA),
for Divisional Commissioner,
Mysore Division.

D. O. Letter No. Ref-IRR-102-C.6804/67-68.

Dear Shri Chandappa Patel,

Subject:- The Mysore Irrigation (Levy of Water Rate) Rules 1965 - South Kanara District - Certain clarification requested -

Reference:- This office letter of even number dated 22-11-1967 and subsequent reminders dated 9-2-1968 and 4-4-1968.
Government letter No. PWD 764 SPL 68 dated 27th March 1968.

****

I invite reference to this office letters cited first, in which certain clarifications have been sought in the matter of levying water rate for the second and third crops raised in South Kanara District and regarding collection of water rate from the actual beneficiaries, instead of land-holders. The matter was discussed at the meeting held in your chambers on 3-1-1968 and certain decisions were arrived at. The orders of Government in the matter have not been communicated so far.

I, therefore, request you kindly to look into the matter and see that the clarifications sought in this office letter dated 22-11-1967, are issued early, as the collection of water rate in South Kanara District is held up.

Yours Sincerely
R. Srinivasan

COPY of the D.O.Letter No. 668/66.A11. dt 29.4.68 from The Deputy Commissioner, South Kanara District, Mangalore addressed to the Secretary to Government, Revenue Department, Bangalore.

Sub:- The Mysore Irrigation (Levy of Water Rate) Rules 1965- certain instructions - sought -

Ref:- This office Ref.C.No.668/66.A11, dt 19.10.67 addressed to the Divisional Commissioner, Mysore Dn.

Mysore Division, Divisional Commissioner's letter No. IRR.102.C.6804/67-68, dt 22.11.67 addressed to Govt.

In this Office letter (1) cited, the Divisional Commissioner, Mysore Division, Mysore was addressed to obtain certain clarification from the Government with regard to the rate to be adopted for levying water rate under the provisions of the Mysore Irrigation (Levy of Water rate) Rules 1965 in respect of the II and III Paddy crops in this district among other points. The Divisional Commissioner in his letter(2) cited has addressed the Governmen seeking clarifications on the points raised in my letter (1) cited, But, I have not received any clarifications in the matter. Unless a clarification on the above points is received, it is not possible to issue definite instructions to the Tahsildars regarding the water rate to be adopted for the II and III crops of this District. The first crop in this district is raised by rain water and the levy of water rate for the same does not arise. As a result of this, the demand under water rate which has to be levied from 1.7.65 for the II and III crop has not been fixed yet in this District.

I t erefore request that a clarification on the points referred to, may kindly be issued early so that action could be taken at this end to fix the demand under water rate immediately.

Sir,

Subject:-Implementation of the Mysore Irrigation (Leavy of water Rates)Amendment Rules 1968.

Reference: This office letter of even No.dated 22.4.68 addressed to you and copied to the Divisional Commissioner, Mysore Division. | P 78 C.F.

2) Letter No.IRR 13 C 881/68 dated 3.5.68 of the Divisional Commissioner, Mysore addressed to you and copied to this office or the above subject.

B. & I. SECTION
P. W. & E. D.
No. 2793
Date 5 JUN 1968

In inviting kind reference to the letter cited 1 and 2 on the subject cited I write to state that the clarification as sought for regarding the rate at which the water Rate has to be levied on lands for which water has been supplied for irrigation but no crops are raised has not yet been received.

I therefore request you kindly to issue necessary clarification in the matter at an early date.

Yours faithfully,

for Spl.Deputy Commissioner,
Mandya District.

Draft.

Sub:- Notification No. PWD 6 LBW 66 Dt. 2-4-68 ~~issx~~ issuing the Mysore Irrigation (Levy of Water Rate) (Amendment) Rules 1968--- Clarification.

To

The Special Deputy Commissioner,
Mandya ~~District~~, Mandya.

Sir,

With reference to your letter No. IER.1 PR43C 4404/67-68 Dt. 20-4-1968 ~~seeking~~ on the above subject, seeking clear instructions on rule 3(A) of the Mysore Irrigation (Levy of Water Rates) (Amendment) Rules, 1968 finally issued in Govt. Notification PWD 6 LBW 66 dated-2.4.68 regarding the rate at which the water rate has to be levied on the lands for which water has been supplied for irrigation but no crops of whatever kind are raised thereon ~~etc.~~, I am directed to clarify as follows:-

Generally it is known that water will be supplied only for growing ~~such and~~ such a crop for which water will be supplied. Hence even though no crop is grown based on the notification or order issued regarding the availability of water for a specific crop, the water rate will have to be recovered even though no crop is grown.

~~What~~ Rule 3(A) provides ~~is;~~ ~~that when water is~~ that when water is made available for growing any particular crop, even though such crop is not actually grown, the holder of the land is liable to pay water rate, as if such crop had been grown.

The intention is clear from the Rule and the difficulty felt is only theoretical ~~for the present.~~

Action may kindly be taken to levy water rates in accordance with the provisions contained in the Water Rate Rules.

Yours faithfully,

D... (T)

Sub:- Implementation of the Mysore Irrigation (Levy) of Water Rate) Amendment Rules 1968.

Ref:- 1) This office letter of even No. dt. 20-4-1968 and subsequent reminder dated 3-6-1968. | P 75 C.F.

2) Your letter No. PWD 6 LBW 66 (Part II) dated 1st June, 1968. | P. 82 C.F

...

I invite your kind reference to the Govt. letter dated 1st June, 1968 cited above. The clarification has been issued to the Rule 3 (A) of the Mysore Irrigation (Levy of Water Rate) Amendment Rules 1968 -- "that when water is made available for growing any particular crop, the holder of the land is liable to pay water rate though such crop is not actually grown".

But clarification sought for from this office letter of even No. dated 20-4-68 is to know which of these different kinds of rates (viz. Sugar-cane crop, Paddy crop and Ragi crop etc.), has to be levied on the land where ~~the~~ no crops are raised though water has been made available for irrigation. Since the clarification on this point has not been issued, I request you kindly to enlighten me as to the rate at which the water rate has to be levied.

The water will be made available for irrigation purpose. But before supply of water usually the holder of the land will not be asked as to the kind of crops he raises. The water rate will only be levied on the crop raised and he may choose any crop he pleases - Sugar-cane, Paddy and Ragi.

In these circumstances, the clarification sought for at para 2 above may kindly be issued early to take further action for the implementation of the Rules under reference.

Yours faithfully,

(K.T.KEMPEGOWDA),
for Spl Deputy Commissioner,
Mandya District.

Mysore-5,

Dated- 3rd September, 1968.

D.O.No. IRR 34 C 2414/68-69.

Dear Sir,

Subject:- The Mysore Irrigation (Levy of Water Rates) (Amendment) Rules, 1968 - Clarifications requested - orders of Government.

Ref:- 1. Govt. letter No. PWD 6 IBW 66 (Part-II) dated- 1-6-68 addressed to the Special Dy.Commr. Mandya and endorsed to this office. P. 82 C.F.

2. Letter No. IRR 1 PR 43 C 4404/67-68 dated- 20-6-1968 of the Special Dy.Commr.Mandya District, Mandya addressed to Govt. P. 88 C.F.

I am desired to invite reference to the letter cited second wherein the Special Deputy Commissioner, Mandya has sought further clarifications regarding the exact rate at which the water rate has to be levied on lands where no crops were grown though water was made available.

I am desired to request you to look into the matter and see that the orders of Government in the matter are obtained and communicated early, to facilitate the Special Deputy Commissioner. Mandya to goahead with the booking water rate on such lands.
